ARTICLE 11
SENIORITY AND LONGEVITY

11.1 Longevity will be computed and compensated for in accordance with the provisions of the State Pay Plan Rules promulgated by the Department of Administration.

11.2 Seniority means an employee's length of continuous service with the Department of Fish, Wildlife & Parks as a Law Enforcement Officer. Seniority shall be computed from the date the employee began regular uninterrupted service as an FWP Law Enforcement Officer.

a. Seniority shall be considered unbroken for:

1. Layoff not exceeding one year;
2. Leave without pay not in excess of 60 days except when such leave is granted in case of illness;
3. Or military service resulting from deployment.

b. Time worked as a Warden Trainee shall also be counted toward seniority.

11.3 Seniority shall not accrue when an employee transfers to a position not covered by this Agreement or when he/she terminates employment. However, upon transfer or rehire into a position covered by this Agreement, previously earned seniority as a bargaining unit employee shall be recognized and applicable under this Article.

- a. Any game warden covered by this agreement who was assigned and served as a criminal investigator prior to CIS wardens being incorporated into the warden bargaining unit will be granted seniority for any and all service during that time period.
- b. Vacant or newly created warden and investigator positions open for permanent assignment will first be opened to post-certified wardens, warden sergeants, warden captains, investigators and Helena enforcement staff. Temporary warden assignments will last no longer than 12 months. If an eligible enforcement division employee applies, the position will not be opened to applicants outside the enforcement division. Seniority, qualifications, and capabilities shall be the controlling factors in filling new or vacant positions. The scoring system shall be a 300-point system with qualifications and capabilities being worth 200 points and seniority being worth up to 100 points. Seniority shall be determined by giving each applicant five points for each year of service as an FWP Law Enforcement Officer with a maximum of 100 points allowed for 20 years of service. The applicant gaining the most points will be recommended for the position to the hiring authority.

If the vacant or newly created position becomes vacant within 6 months of it being filled, management may use the original pool of applicants to fill the vacant position. CIS positions shall be filled by open recruitment with current employees being given an equal opportunity to apply.

- c. Newly hired employees with at least 30 months of service at the time of transfer are eligible to apply for transfer. Eligibility is determined by the projected transfer dates listed on the vacancy announcement. After the initial 30 months, employees are eligible to transfer at any time subject to the department's moving policy. Although newly hired Wardens are committed by contract to remain 30 months in their first warden station, they are eligible to apply for transfer at the time of posting, upon completion of 24 months in their first station. Wardens with 24 months may only compete if no wardens with 30 months or more apply. Once newly hired employee is granted the vacant position management will determine the date of the transfer to the vacant position.

11.4 Employees to be laid off shall be given two weeks advance notice.

11.5 In the selection of employees for layoff, consideration will be given to the programs to be carried out by the Employer and the staff structure which, after the reduction, will achieve program objectives. Accordingly, employees will be selected for layoff only after consideration has been given to position classification, skills and geographical location. If all the above factors are equal, seniority shall be the deciding factor in the determination of selection for layoff.

11.6 Recall from layoff shall be with the same consideration as in paragraph 11.6. The Department shall notify such employees to return to work and furnish the Union a copy of such notification and if the employee fails to notify the Department within 14 days of his/her intention to return to work, such employee shall be considered as having forfeited his/her right to return to work.

11.7 No permanent employee shall be laid off while temporary, part-time, or probationary employees in the same skill are retained.
